Gen 3 /Teens for Unity Centers, Rocca di Papa 3.22.2021

To Teens for Unity Group Leaders and Gen 3 Assistants **Sunday, May 2: Run4unity 2021**

Dearest all,

The "Countdown" to **Run4Unity 2021** has begun!

In 2020, 293 online relay races were completed, connecting thousands of teens in otherwise hard-to-reach cities and countries. Once again this year, in many places, we will have to find alternatives to in-person races and parades, but nevertheless, the experience of unity will be exciting and rich!

What are the features of Run4unity?

The relay takes place between 11 a.m. and 12 p.m. on Sunday, May 2 (each according to their time zone). It's important that it is an expression of the life of the **Golden Rule**. There is the **passing of the baton** from one country to another (through online connections) and the **Time Out** (prayer for peace, at 12:00 noon) to remember the many countries that suffer.

What's new and what's the theme for this year 2021?

Run4unity 2021, like the entire United World Week (UWW), has the theme **#Daretocare** (taking care of). Run4Unity will be an opportunity for teens from different nations to tell each other about **their experiences in living the same commitment of being active citizens - #daretocare**.

Moreover, on May 2nd, the **Political Movement for Unity** (MPPU) will be turning 25 years old! Our Politicians, together with several young people, are preparing a worldwide online event and "a document" for a renewed personal commitment to the Politics of Unity. It's a great opportunity to come together to work for and live #daretocare. In fact, R4Us have often attracted dignitaries from the world of sports and culture, political, civil and religious authorities. In particular, this year we can get in touch with them to let them hear the voice of the hungry, of the poor we have met and tell them all the things we are doing for our city, and then listen to what they suggest. Let us know what you plan to do with the Gen 3, T4U and your politicians!

Another novelty this year is that the teens from the **TEENS International editorial offices** will be doing reports on R4U in the world, so some of them may contact you.

Useful materials and sites

We are working together (Gen 3/T4U Centers, Gen 2/GMU, Gen 4) to offer you WarmUp proposals, Thoughts-of-the-day adapted for teens, youth and children. Keep an eye on the R4U website that we will update as we go along and on social media.

You will find all the initiatives in the Global Calendar at www.unitedworldproject.org/uww2021.

Visual Identity

It's very important to give a common identity to every small and big action that we make so that it can have a greater impact. For this reason, we invite you to always use the R4U, Daretocare and UWW graphic designs which you can find on:

R4U, a step towards the Worldwide HombreMundo

Another letter will be sent to you shortly, which will explain this year's training course, in which R4U is also included.

With all our unity,

All of us at the Gen 3 and T4U Centers
