# International Workshop Hombre Mundo 2022

Friday - Saturday - Sunday

**February 25 . 26 . 27, 2022**

INTERNATIONAL WORKSHOP  
**TEENS4UNITY**

**How did the idea for this meeting come about?**  
From the first experience of an international workshop

2014 Hombre Mundo in Latin America

2017. It was repeated in Eastern Europe.  
It was a wonderful experience for the teens, as well as the local communities  
and all those who were involved. It allowed all the participants to have a  
unique experience of universal fraternity and active citizenship.

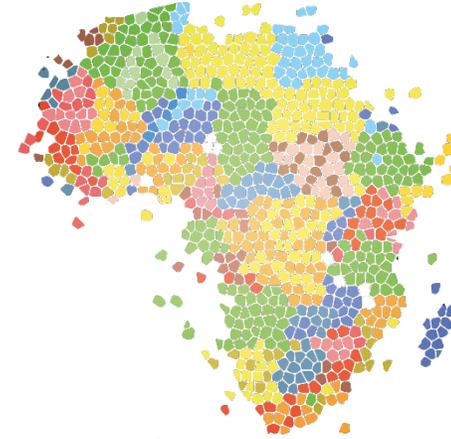

2017 Hombre Mundo in Eastern Europe

# 2020 Hombre Mundo in Africa

it was scheduled  
to take place in Kenya  
and Ivory Coast.

MANY CULTURES  
ONE PEOPLE

AFRICA 2020  
CÔTE D'IVOIRE + KENYA + BURUNDI + ETHIOPIA

The pandemic had ended any hope of making Hombre Mundo happen in the summer of 2020, or postponing it to 2021... But everywhere groups of gen3 and teens for unity were in high anticipation.

The enthusiasm and continuous requests from teens, who had signed up and did not want to miss this opportunity, urged us to look for a way to reimagine this important experience:

**and what came out was the idea for a MAJOR ONLINE EVENT:**

**Hombre Mundo International Workshop.**

# An international Core Group was created with teens and adults representing various continents.

Argentina, Australia, Chile, Congo, Ivory Coast,  
France, Ireland, Italy, Paraguay, Slovenia,  
Uruguay

# Hombre Mundo 2022

On February 25, 26 and 27  
there will be online worldwide meetings  
of approx. 90 minutes.

## Meeting in PERSON with 3 moments of online connections

Depending on current Covid restrictions consider  
hosting a regional or local Hombre Mundo, or a get  
together in person of all the gen from the same area.

May Hombre Mundo be an opportunity to gather and  
to enjoy this experience in large or small groups,  
not only online, but - if possible - also in person.

# Themes

## Feb 25 **Our way of life**

For example: How do I live for a united world during the lockdown of the pandemic? How is my relationship with social media? Challenges of our age: self-esteem, mental health...

## Feb 26 **Zero Hunger and our commitment to caring for the environment**

Experiences of individuals and groups

## Feb 27 **Peace and the encounter between peoples and generations**

Experiences of teens and grandparents...

## Let's share our artistic talents: ARTS4UNITY.

This is an opportunity for every Gen3 and T4U to contribute through their talents for a more united world.

Through various artistic expressions: drawings, paintings, music or poetry, photographs and films - all are invited to share our dreams, our desires for peace, for unity among all peoples, our commitment to justice, to help the poorest, for Zero Hunger and the care of the planet.

We will set up a multimedia exhibition with all the contributions received, which will also be published on our social networks throughout the year.

# Arts4Unity

Among the songs composed entirely by teens, one will be chosen,  
as the **THEME SONG** of the Hombre Mundo global Workshop.

An international jury will select three songs and then, with a polling done on our social media, we will all contribute to choosing the theme song.

All other songs will also be featured: during the Hombre Mundo program and/or shared on Instagram and on our website.

Typical cultural dances or dances created by the teens will also be part of the program and/or shared on Instagram.

Everyone can participate individually or as a group.

**To all the Gen 3 of the world:**

Hello everyone!

We are a group of gen3 from 12 nations (Argentina, Australia, Benin, Chile, Congo, Ivory Coast, France, Ireland, Italy, Paraguay, Slovenia and Uruguay) and with great joy we are preparing an event that for the first time ever will bring us together from all over the world! **Save the date:** The Hombre Mundo-worldwide get-together Planetary event will take place from Friday 25 to Sunday 27 February 2022 and we invite you to save the date now, freeing yourself from various commitments, (including school commitments), if necessary.

**Who is the programme designed for?** For us girls and boys aged 13-17, Gen3/Teens for Unity or friends who are interested in the Ideal of a United World.

**How to get involved?** Join a group of friends (small or large depending on current Covid restrictions in your area) and together ensure you can connect online to Gen3/T4U around the world. Organize your time table locally for the three days of the programme, reserving time for global connections. Keep in touch with your assistants and facilitators to receive the programme and translation links.

**Can you help us prepare for this amazing world-wide event?**

**Let's share our experiences of living the Gospel**

**By the end of October**, let us know through this form: <https://forms.gle/waCKYMRyXZn6kL5w9> if you have any experiences regarding the themes we have chosen for these three days:

- Zero Hunger and our commitment to caring for the environment (*Experiences of individuals and groups*)

We will set up a **multimedia exhibition** of your **drawings, paintings, photographs and films** on these themes. We also invite you to compose **songs and music** that will bring your greatest dreams to everyone. TEENS  
FOR  
UNITY

This document reflects and considers many proposals made by the teens of the Focolare Movement in preparation for the assembly. But **we would like to know from you how you would like to implement all this in the future.** Some of our projects that are already underway could also be a concerted plan of action in the future.

Current Projects / Actions	Key Phrases In The Document
 <p><b>#ZeroHunger</b></p> <p>Our generation wants to be the first to see the end of world hunger, the #zerohungergeneration. That's why we want to live and spread a new way of life by putting in motion, for this purpose, our head, our heart and our hands.</p> <p>For more information see the Commitment Charter of #ZeroHungerGeneration</p> <p><a href="#">Commitment Paper.pdf</a> (teens4unity.org)</p>	
 <p><b>Teen4Teens</b></p> <p>T4T is a program that encourages to live the "culture of sharing."</p> <p>Each participating group can "adopt" a social project, support it financially and, above all, learn more about the reality of the countries involved.</p> <p><a href="#">Teens4Teens</a>   Teens4Unity</p>	<ul style="list-style-type: none"> <li>• Seek out those who suffer, those who are excluded and "be near them"</li> <li>• Critical awareness regarding the use of material goods</li> <li>• Relaunch the communion of goods</li> <li>• Revitalize social works</li> </ul>
 <p><b>The worldwide communion of goods</b></p> <p>God has given us the goods of the earth to be used at the service of all. Just as plants absorb from the soil what they need to live, we want to keep only what is necessary, committing ourselves to the communion of material and spiritual goods and talents, paying special attention to those who are most in need.</p>	
<p><i>Inspired by Chiara's keynote address to the third generation "New Cities for a New World":</i></p>	
 <p><b>Let's color our city using the 6x1 method</b></p> <p>As active citizens we want to contribute to "coloring" the "gray areas" of our neighborhoods where loneliness, marginalization, poverty, and environmental degradation prevail. To help in designing effective solutions we have devised a method called "6x1".</p> <p>6x1   <a href="#">6 Steps to 1 Target</a>   Teens4Unity</p>	<ul style="list-style-type: none"> <li>• Go out to meet Jesus Forsaken "locally", that is, the difficult situations closest to us</li> <li>• In dialogue with everyone</li> <li>• Find the causes in order to eliminate them</li> <li>• Take Actions</li> </ul>

**International Hombre Mundo Workshops**

These experiences help us grow:

1. in universal fraternity by learning about, loving and respecting the homeland of the other as our own.
2. in active citizenship by promoting actions for the Common Good at the service of the poorest, the marginalized or for the protection of the earth, in relationship with the local communities.

- Intergenerational
- Decision-making with new generations
- Evaluate together what we have done
- Privileged space for integral formation using head, hands, and heart.

*Let's give witness together to our commitment with events like United World Week and Run4Unity*

**Pathways for a United World in Color**

Propose to delve into the colored pathways one at a time. We focus on three steps: **learn, act and share**, to address local and global challenges...

This commitment is common to the entire Movement: it involves adults, youth, teens and children; so far Pathways have been proposed:

- red, **#NoOneInNeed**,
- yellow, **#InTimeForPeace**
- black, **#DareToCare**

In June the green pathway on integral ecology will start.
