

**Objective:** To develop and strengthen the experience of the life of unity in our gen 3 unit

#### Some proposals:

**Check how things went with the goals of the previous meeting.**

- 1) Let's have a weekend together with our Gen unit, and try to grow in mutual love so that we experience the effects of the presence of Jesus in our midst.
  
- 2) Let's take a look at our Gen 3 unit and assess the situation of our lives:
  - Are we experiencing unity among us? Is there something we can improve?
  - Do I find problems in my gen unit? Was there a moment when I felt uncomfortable and why?
  - Is there any Gen 3 that it is not accepted, that is not fully involved? What can we do to improve?
  - Do we make our unity a springboard to reach out to all, to open ourselves to others or do we prefer to be among ourselves?
  - Do the meetings help to "recharge me" to bring unity where I live? Are they important moments to reinforce in me the desire to live in order to fulfill the testament of Jesus "May they all be one"?
  
- 3) Propose living the communion of goods: make "the bundle" (that is, put together things to share like clothes, shoes, useful things, etc.) and create a Gen fund as a concrete basis for experiencing unity.

#### Meeting evaluation for the assistant:

Was there a sincere openness among the Gen 3, a push toward unity among all?
